

Full Time LPC/LCSW Job Description:

Aurora Counseling and Neurotherapy, LLC continues to grow and we have full-time counselor openings. We have multiple counselors on staff at this time and the need for more counselors continues to grow. We are looking for full-time counselors (26- 35 client contact hours a week).

We are open Monday- Friday 9 am- 7pm to see clients in person. Providers can also see client's telehealth outside of the in-person client hours. We are located in the white medical building by the movie theater on Airport Rd. We are looking for counselors who have training and skills to support clients with anxiety, depression, trauma and life changes.

We are seeking a counselor to help support the whole client with their emotional health. We see all ages of clients at our clinic. Licensed Providers need to be willing to **see all ages of clients, kids, teens, & Adults.**

Providers can choose the hours they want to work for a full-time client load of 26-35 client contact hours each week.

Our highest traffic time with clients is Monday-Friday- 4 pm, 5 pm, 6pm & ALL-day Fridays, is our day that is in the highest demand by clients for counseling.

Applicant must have current LPC or LCSW License in the State of Alaska.
